

CFL GU10 14W **NEW**

Alternative to 70W Halogen Lamps

MM00357 - 2700K
MM01755 - 3000K
GU10/14W

After years of relentless research, MEGAMAN® has finally come up with the most powerful GU10 reflector in its series. This 14 Watt energy-saver is designed to replace 70W halogens with reduced power consumption and longer lamp life while delivering exceptional light output when compared to traditional halogens. Less heat is also emanated contributing to reduced air-conditioning costs, as well as prevention of damages or discolouration to display items.

Product Features:

- Replaces halogens in 70W
- Generates less heat and UV
- 80% energy savings
- 15,000 hours lamp life with *INGENIUM*®

Applications:

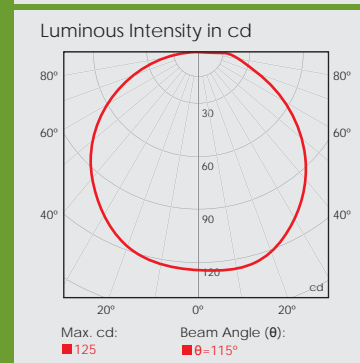

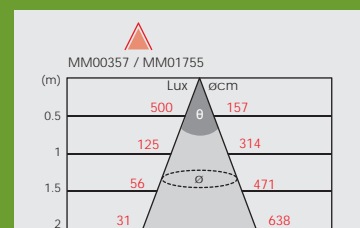

- Shops & Boutiques
- Reception areas
- Corridors
- Offices
- Hotels
- Restaurants
- Lounges
