GU9 / 3W

### Eco-lighting solution for halogen G9 replacement with exquisite profile

Thanks to the exquisite profile of the MEGAMAN® LED G9, you now have an energy-efficient solution to fit into luminaires of precise and compact design. Over-heating and frequent re-lamping due to the burning out of lamps no longer be an issue.

Further extending functionality, the MEGAMAN® LED G9 offers a 100% to 20% linear dimming effect. Working with common dimmers, you can experience a wonderful linear dimming effect that is similar to that obtained with traditional incandescent and halogen lamps. Simply connect an ordinary dimmer switch and start dimming without the need for a retrofit.

### Product Features:

- Ideal alternative for the halogen G9
- Long rated life of 25,000 hours
- Capable for linear dimming from 100% to 20%\*
- High colour rendering of up to Ra80
- General less heat than the halogen lamp
- Wide range of operating temperatures -30°C to +40°C
- High product efficacy, A+ Energy Class

\* Please visit [www.megaman.cc/user-guide](http://www.megaman.cc/user-guide) for the list of compatible dimmers

### Applications:

- Chandeliers
- Reading lamps
- Office building deco
- Home decoration

### Specifications\*

Description	LED G9
Model No.	MM03829
Voltage (V)	220 – 240
Wattage (W)	3
Lamp Base	GU9
Rated Life (hrs)	25,000
Luminous Flux (lm)	180
Colour Temp. [CRI]	2800K[Ra80]
Dimming Feature	100-20%
Operating Temp (°C)	-30 to +40
Diameter (mm)	22
Length (mm)	46
Weight (g)	22
